The nominees should demonstrate significant visionary leadership and community service in the Prescott area community.

THE MISSION

Founded in 1990, PAL is celebrating its 21st Year in achieving its mission: to develop and inspire individuals to contribute to the vitality and leadership of central Yavapai County, Arizona.

THE CHALLENGE

In the pursuit of excellence one must...care beyond what others think is wise; envision more than most feel practical; chance beyond what many see as safe; and anticipate more than others think possible.
